

Compliance to environmental standards and product properties 2020

Cordial GmbH
Robert-Bosch-Str.13
D-85221 Dachau, Germany

herewith confirms that all of our

- **Bulk cables**
- **Ready-made cables**

are conform to the following regulation, directive:

- **REACH EC 1907/2006** with the candidate list of Substances of Very High Concern (SVHC)

Our statement of conformity bases on corresponding declarations of our suppliers, that all substances covered do not exceed the concentration values defined. The latest update includes 209 substances, dated from June 25th 2020.

However, some products may contain SVHC:

Connectors comprising copper alloys like brass contain the substance lead greater than 0,1% (CAS 7439-92-1 EC No. 231-100-4) according to the RoHS directive 2011/65/EC.

This information is based on our current state of knowledge. No warranty or liability can be carried for factors beyond our knowledge and control.

As a downstream user we do not create chemical substances and therefore do not put new substances into circulation (REACH).
