

Compliance to environmental standards and product properties 2020

Cordial GmbH
Robert-Bosch-Str.13
D-85221 Dachau, Germany

herewith confirms that all of our

- **Bulk cables**
- **Ready-made cables**

are conform to the following regulation, directive:

- **RoHS II 2011/65/EU including RoHS III 2015/863/EU**

However, some products may contain SVHC: lead (Pb), EC No 231-100-4, CAS No 7439-92-1 subject to 2011/65/EU Annex III exemption:

6 (a) Lead as an alloying element in galvanized steel containing up to 0,35 % lead by weight.

6 (c) Copper alloy containing up to 4 % lead by weight.

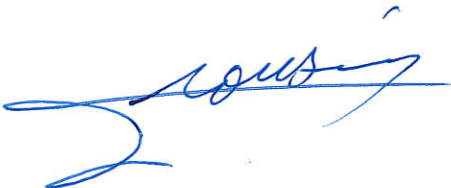

The presence of above substances is an impurity, contained below the concentration thresholds.

Our statements of conformity base on corresponding declarations of our suppliers, that all substances covered by the standards listed above do not exceed the concentration values defined by these standards.

As a downstream user we do not create chemical substances and therefore do not put new substances into circulation (REACH).
