

## FRNC – Declaration

Cordial GmbH  
Otto-Hahn-Str.20  
D-85221 Dachau, Germany

hereby confirms that our cables

- CLS 215 FRNC
- CLS 225 FRNC
- CLS 240 FRNC
- CMK 222 FRNC

feature a halogen-free, flame retardant material FRNC (flame retardant non corrosive) which is used for the cable sheath. FRNC cables have a low fire load and smoke development.

Cordial cables are FRNC type "B", specified by DIN VDE 0482 parts 265-2-1/267 and IEC 60754-1/-2 and IEC 60332-1/-2. These specifications include tests for flame retardant, halogen free and non-corrosive aspects. Cordial guarantees that our FRNC cables accord to all listed regulations.

Dachau, 27 April 2017
