EU Declaration of Conformity – PPWR

in accordance with Regulation (EU) 2025/40 on packaging and packaging waste (PPWR)

Scope and legal basis

This EU Declaration of Conformity is issued in accordance with Article 39 in conjunction with Annex VIII of Regulation (EU) 2025/40. The underlying conformity assessment was carried out in accordance with Article 38 in conjunction with Annex VII, Module A (Internal Production Control).

EU Declaration of Conformity No.:	EU-PPWR-30002-DoC-001
Packaging family ID:	30002
Packaging family designation:	PPWR Cordial Lasche CN essentials 001
Revision:	1.0
Valid from:	07.11.2026

1. Unique Identification of the Packaging

Packaging family / base ID:	30002-PPWR Cordial Lasche CN essentials 001
Packaging items covered:	As specified in Annex 1. The specific packaging configuration is determined by the respective product article number and the associated packaging documentation.

2. Manufacturer

Cordial GmbH	Phone: +49 8131 99697-0
Robert-Bosch-Strasse 13	FAX: +49 8131 99697-29
D-85221 Dachau	E-Mail: info@cordial-cables.com
Web: www.cordial-cables.com	WEEE-Reg.-Nr.: DE 44737262

3. Declaration of Sole Responsibility

The manufacturer identified under Section 2 bears sole responsibility for issuing this EU Declaration of Conformity.

4. Object of the Declaration

The object of this declaration is the following packaging family: 30002-PPWR Cordial Lasche CN essentials 001

It is intended for securing, labelling and presenting pre-assembled cables as sales packaging.

The scope covers the types of packaging, variants, additional components and referenced component families listed in Annex 1. Only components that have been recorded and assessed in the relevant packaging documentation may be used.
These components may be combined, provided that the material composition and technical specifications remain unchanged and the relevant approvals for the component and packaging families are complied with.

5. Statement of Conformity

The product described in Section 4 complies, at the time of placing on the market, with the applicable requirements of Articles 5 to 12 of Regulation (EU) 2025/40 (PPWR). The manufacturer's obligations under Article 15 are additionally addressed in Section 5.1.

5.1 Assessment of the Applicable Requirements

REQUIREMENT	ASSESSMENT AND RESULT
ARTICLE 5 SUBSTANCES IN PACKAGING	The total concentration limit of 100 mg/kg for lead, cadmium, mercury and hexavalent chromium is met. The applicable REACH restrictions have been taken into account. The PFAS requirements for food-contact packaging are not applicable.
ARTICLE 6 RECYCLABILITY	The materials and components used have been assessed for their recyclability and separability. Further requirements will be taken into account in accordance with the statutory application dates.
ARTICLE 7 RECYCLED CONTENT	The plastic components used have been identified and documented. The applicable minimum recycled content requirements will be taken into account from the relevant statutory application dates.
ARTICLE 8 BIO-BASED PACKAGING	Currently not applicable, as no bio-based properties are claimed.
ARTICLE 9 COMPOSTABLE PACKAGING	Not applicable. The packaging is not placed on the market as compostable.
ARTICLE 10 PACKAGING MINIMISATION	Material use, weight and dimensions are limited to what is necessary for grouping, protection, storage and transport.
ARTICLE 11 REUSABLE PACKAGING	Not applicable, as the packaging is intended for single use..
ARTICLE 12 LABELLING	The applicable labelling requirements will be implemented in accordance with the statutory application dates.
ARTICLE 15 IDENTIFICATION, TRACEABILITY AND MANUFACTURER INFORMATION	The packaging bears a unique packaging family ID and a QR code providing access to the manufacturer's name, postal address and electronic contact details. The corresponding EU Declaration of Conformity is also available via the QR code and packaging family ID in the service section of the company's website. All packaging components have been documented and assessed.

6. Applicable Legislation and Technical Specifications

The following legislation and specifications have been taken into account in the conformity assessment:

- Regulation (EG) Nr. 1907/2006 (REACH)

Further technical specifications are documented in the PPWR Evidence and Documentation Matrix.

7. Involvement of a Notified Body

Not applicable. The conformity assessment is carried out in accordance with Annex VII, Module A (Internal Production Control); the involvement of a notified body is not required.

8. Additional Information and Signature

This EU Declaration of Conformity applies to the described configuration, including approved variants and combinations. Any changes or combinations beyond the approved scope require reassessment.

Cordial GmbH Sound & Audio Equipment

Annex 1 – Scope and Overview of Variants

EU Declaration of Conformity No.:	EU-PPWR-30002-DoC-001
Packaging family ID:	30002
Packaging family designation:	PPWR Cordial Lasche CN essentials 001
Revision:	1.0
Valid from:	07.11.2026

1. Scope and Traceability

This Annex defines the scope of the associated EU Declaration of Conformity for the following packaging family:

30002-PPWR Cordial Lasche CN essentials 001

It covers the packaging components, additional components and referenced component families listed below, within their approved specifications. The specific packaging configuration is determined by the respective product article number and associated packaging documentation. Only documented and assessed components may be used. The corresponding specifications and supporting evidence are recorded in the PPWR Evidence and Documentation Matrix.

2. Packaging Products Covered

Internal Article #	Matchcode	Design / Variant	Material	Weight in g
1034892	Cordial Essentials new cardboard_small	347x110	C/PAP81	12,23
1034891	Cordial Essentials new cardboard_large	437x130	C/PAP81	14,27
1034937	Cordial Essentials new cardboard_sleeve	640x120	C/PAP81	15,1
1034723	Barcode Label / 89*34 Label	89x34	C/PAP81	0,29

Different printed content remains covered, provided that the material structure, printing process and technical specifications remain unchanged.

3. Additional Components Covered

Component	Article # /ID	Design / Reference / Matchcode
Optione A) Staple	N/A	U-shaped staple / 24.7x0.6x0.4 / FE
